INFO.SUPPLEMENT TO
REPORT NO.

25X1X

1. A factory producing radios and communications equipment, under construction since the spring of 1948, is located five kilometers southeast of Nis on the road to Sofia. Four or five large houses have been erected 500 meters from the factory.
2. The plant is also said to manufacture poisonous gases for military use, as well as gas masks. Fifteen German engineers are employed at the factory.
